

**Agency: Commerce, Community and Economic Development****Grants to Municipalities (AS 37.05.315)****Grant Recipient: Anchorage****Project Title:**

# Anchorage - Rabbit Creek Elementary School Stage Renovation

**State Funding Requested: \$ 12,000****House District: 31 - P**

Future Funding May Be Requested

**Brief Project Description:**

Purchase and installation of new curtains, carpet and replacment of existing stage floor.

**Funding Plan:****Total Cost of Project: \$12,000**Funding Secured*Amount FY*Other Pending Requests*Amount FY*Anticipated Future Need*Amount FY*

There is no other funding needed

**Detailed Project Description and Justification:**

Description: Rabbit Creek Renovation funding will be used to replace existing stage floor carpet and curtains. Replace our stage curtains and carpet.

**STAGE CURTAINS AND CARPET**

Curtains \$3,000

Carpet \$9,000

Total: \$12,000

Justification: Currently the Existing gold Curtains are in a very unsanitary condition and both the curtains and the carpet on the stage are worn, torn stained and very old. Because of the torn and generally poor condition of the carpet on the stage it is not only unsanitary but is also unsafe for performers whom may trip on loose or torn sections of the stage floor. Safety is the priority #1 reason for Rabbit Creek Elementary School's request for funding to replace curtains and carpet for an Estimate cost of \$12,000.

Rabbit Creek is a community-based school with an outstanding music and drama program. It's stage carpet is old, stretched and stained, as are the stage curtains. They barely serve the purposes of the superb musical productions that support curriculum and learning for 400 students.

Stage improvements will maximize opportunities for students to have experiences that encourage lifelong learning. These programs are part of a supportive and effective learning environment by providing drama, presentation and performance opportunities for all children; and encouraging extra-curricular activities.

**Project Timeline:**

Purchase and installation finished FY09. Capital Funding will be expended in FY09.

**Entity Responsible for the Ongoing Operation and Maintenance of this Project:**

Anchorage School District

February 26, 2008

Representative Bob Lynn  
Alaska State Legislature  
Alaska State Capitol  
Juneau, AK 99801-1182

Dear Representative Lynn:

The Rabbit Creek School community has been very appreciative of your assistance with needed supplies and equipment in the past. We were very hopeful with our requests last year but, unfortunately, all three legislative grants were vetoed by the governor. As you know, there is a new process in the Anchorage School District to assure that requests from schools are reviewed and supported at the district level. We have submitted the following requests, which are the same ones we requested last year. They have gone through a staff and parent review process and are supported by our school community. These are all items that would not likely be covered by regular district funds in the near future.

They are listed as follows in priority order:

- |             |   |                                      |
|-------------|---|--------------------------------------|
| Priority #1 | Curtains and carpet for our stage, to replace worn, torn, stained and very old existing gold curtains and carpet.   | <u>Estimate of \$12,000</u>          |
| Priority #2 | Adjustable chairs for our computer lab that will accommodate students of all sizes.   | <u>Estimate of \$3,000</u>           |
| Priority #3 | Laptop computers for classrooms. This reflects the ongoing need to purchase current technology. We are having a raffle drawing tonight that is expected to bring in approximately half of our goal. | <u>Estimate of \$10,000-\$15,000</u> |

We submitted supporting information last year, including estimates and quotes for these items. Please let me know if you would like me to send these copies again.

We very much appreciate your attention to constituent needs, and we thank you for your attention to our school and community.

Sincerely,

Mary Johnstone, Principal

Britt Leach, PTA President
